

## ADVISORY COUNCIL MEETING ANNOUNCEMENT

The next meeting of the Advisory Council on Alzheimer's Research, Care, and Services will be **two afternoons**, held on May 2 and 3, 2022, from 1:00pm to 4:00pm EDT. The meeting will be virtual and webcast at <http://www.hhs.gov/live>.

During the meeting, the Advisory Council will celebrate accomplishments since the release of the first National Plan to Address Alzheimer's Disease in May 2012. On May 2, the Advisory Council will hear panel presentations on recent research on biomarkers and therapeutics. On May 3, the Dementia Nomenclature Initiative will present an update to the Advisory Council, and there will be a panel of presentations about dementia risk reduction.

**Public Input:** Time will be allocated on the agenda to hear public comments from 3:30pm to 4:00pm on **Tuesday, May 3**. The time for oral comments will be limited to two (2) minutes per individual. Individuals who wish to make a public comment should register by emailing your name and organizational affiliation to [napa@hhs.gov](mailto:napa@hhs.gov) **no later than Thursday, April 28**. Registered commenters will receive both a dial-in number and a link to choose from to join the meeting virtually. Comments can also be submitted to be read for you during the Public Comment session; they must be received by April 28 (please note on the email you wish for them to be read for you at the meeting).

NOTE: There may be a 30-45 second delay in the livestream video presentation of the conference. For this reason, if you have **pre-registered** to submit a public comment, it is important to connect to the meeting **by 3:15pm, May 3**, to ensure that you do not miss your name and allotted time when called. If you miss your name and allotted time to speak, you may not be able to make your public comment. All participant audio lines will be muted for the duration of the meeting and only unmuted by the Host at the time of the participant's public comment. Should you have questions during the meeting, email [napa@hhs.gov](mailto:napa@hhs.gov) and someone will respond to your message as quickly as possible.

In order to ensure accuracy, please submit a written copy of oral comments for the record by email to [napa@hhs.gov](mailto:napa@hhs.gov) by Wednesday, May 4. These comments will be shared on the website and with the Advisory Council, and reflected in the meeting minutes. Written comments may also be submitted for the record. Comments can be mailed to:

Helen Lamont, Ph.D.
