

## ADVISORY COUNCIL MEETING ANNOUNCEMENT

The next meeting of the Advisory Council on Alzheimer's Research, Care, and Services will be held on January 30 and 31, 2023, from 12:30pm to 4:30pm EST. The meeting will be virtual only and webcast at <http://www.hhs.gov/live>.

During the meeting on January 30 and 31, the Advisory Council will hear presentations on issues related to clinical practice and plans for advanced care planning. The second day presentations will review the impact of new drug approvals and focus on risk reduction and social determinants of health. The National Institute of Neurological Disorders and Stroke (NINDS) will present gaps and opportunities from the 2022 ADRD Summit, and other federal agencies will also provide updates.

**Public Input:** Time will be allocated on the agenda to hear public comments from 4:00pm to 4:30pm on **January 31**. The time for oral comments will be limited to two (2) minutes per individual. Individuals who wish to make a public comment should register by emailing your name and organizational affiliation to [napa@hhs.gov](mailto:napa@hhs.gov) **no later than Thursday, January 26**. Registered commenters will receive both a dial-in number and a link to choose from to join the meeting virtually. Comments can also be submitted to be read for you during the Public Comment session; they must be received by COB January 26.

NOTE: There may be a 30-45 second delay in the livestream video presentation of the conference. For this reason, if you have **pre-registered** to submit a public comment, it is important to connect to the meeting by 3:45pm to ensure that you do not miss your name and allotted time when called. If you miss your name and allotted time to speak, you may not be able to make your public comment. All participant audio lines will be muted for the duration of the meeting and only unmuted by the Host at the time of the participant's public comment. Should you have questions during the meeting, email [napa@hhs.gov](mailto:napa@hhs.gov) and someone will respond to your message as quickly as possible.

In order to ensure accuracy, please submit a written copy of oral comments for the record by email to [napa@hhs.gov](mailto:napa@hhs.gov) by Wednesday, February 1. These comments will be shared on the website and with the Advisory Council, and reflected in the meeting minutes. Written comments may also be submitted for the record. Comments can be mailed to:
