1

Leadership, innovation,
collaboration for state
Aging and Disability agencies.

Our mission is to design, improve,
and sustain state systems
delivering long-term services and
supports for older adults, people
with disabilities, and their
caregivers.

ARPA HCBS Funding

- American Rescue Plan Act (ARPA) provided states with an extra 10% federal funding (FMAP) for Medicaid HCBS
- States may not reduce state HCBS spending as a result of higher federal funds
- States must spend increased resources on efforts to enhance, expand, or strengthen HCBS

3

State ARPA Spending Plans

- States must submit plans to the Federal Government (CMS) on how to spend the money
- State spending plans demonstrate LTSS priorities moving forward

6

Workforce Initiatives: Examples

- Provide recruitment and retention incentive grants. Initiate a workforce development initiative (Alabama)
- Offer enhanced training and support beyond current training requirements for the individuals who provide direct, hands-on care for those with disabilities and their families, incentivizing retention, and professionalism among this workforce (Alaska)
- Partner with higher education and establish affordable pathways to allied health professions to build career advancement opportunities for the workforce (Colorado)
- Create a nursing incentive campaign, specifically to offer service retention bonuses for nurses providing home care (Delaware)
- Expand high school nurse aide training programs (Hawaii)

7

Workforce Initiatives: Examples

- Explore how to use a pay-for-outcomes strategy for provider recruitment and retention strategies, ex: p4p for percentage of staff hired with a certain level of training (Indiana)
- Increase internship and supervision support for CBHI workforce including targeted relationships with institutions of higher education (Massachusetts)
- Supplemental payment pools for HCBS services, using structures such as:
 - Sign-on bonuses;
 - Retention bonuses;
 - Ladder advancement stipends; and
 - Competency/training support stipends. (New Hampshire)
- Grants to clinics, physician offices, hospitals, private duty nursing, home health, or other clinical providers for the purposes of loan repayment, sign-on bonuses, training, and certification costs (New Mexico)
- Establish a \$2.5M performance based contracting fund for AAAs that meet certain metrics in terms of quality/ quantity/ workforce diversity (Oregon)
- Incentives to move to West Virginia to provide professional mental health services in rural communities.

Alzheimer's/Dementia-Specific Activities

- **Dementia Aware and Geriatric/Dementia Continuing Education**
 - Develop an annual cognitive health assessment that identifies signs of Alzheimer's disease or other dementias in beneficiaries.
 - Develop provider training in culturally competent dementia care.
 - Develop a referral protocol on cognitive health and dementia in beneficiaries (California)
- **Provide Provider Training to Support Evidence-Based Models, especially training related to dementia support (Connecticut)**
- **Workforce training opportunities and/ or incentives for DCWs to obtain approved, advanced certifications and other trainings that are industry-validated and linked to career pathways and/ or professional development, including Alzheimer's and dementia (Rhode Island)**
- **Implement statewide training modules and offer grant funding opportunities for providers to invest in workforce training Focus areas include direct care skills for dementia (Wisconsin)**
